

What Kind of Dog Is He?

A: Oh my gosh- did you get a new puppy? How adorable! What kind of dog is he?

B: Oh he's a goldendoodle- a combination of a golden retriever and a poodle.

A: Wow, can I hold him? He's so tiny- how many weeks old is he?

B: Oh he was just born two weeks ago.

A: Where did you get him?

B: My friend had a litter. **They needed to get rid of them** so I volunteered to take one home.

A: **Are you just carrying him around today?** I guess he's still too little run around on his own?

B: Yeah, pretty much.

A: Christmas is coming up- **are you going to get him some Santa ears or dress him up like an elf?**

B: Maybe- **I guess he'll really stand out** on the subway if I do that. Everyone will come up and want to pet him so actually I might pass on that.

A: Wow, he really sheds. I gotta get this hair off of me before I go to work.

B: Oh sorry about that. Anyways, see you around.

A: Yep, see ya.
